Rationale

At Washington Academy we believe that the academy uniform:

- Gives students a pride in and a sense of belonging to the academy
- Identifies students as belonging to Washington Academy thereby deterring truancy
- Heightens the reputation of the academy in the community
- Gives students an equality of appearance thereby discouraging competition
- Encourages discipline and a work ethic amongst students.

The wearing of academy uniform

It is expected that the full academy uniform will be worn appropriately at all times in the academy and on the way to and from the academy as an expression of belonging to Washington Academy. In particular where students are representing the academy at events, on visits and in public places, it is expected that the uniform be worn in such a manner as to reflect the pride and sense of identity of the students. It is expected that shirts will be tucked in, badges clearly displayed on blazers and jumpers. Items of non-academy uniform should not be worn as they may obscure or detract from the smart presentation and recognition of students in their uniform.

In order to achieve our collective vision for the academy and subscribe to the rationale outlined above, no other items of clothing should be worn in conjunction with the academy uniform as stated above.

Those students who for any reason contravene these expectations will be challenged to rectify the issue and may be sent home to change into uniform to return to the academy immediately. This element of policy is in line with Department for Education (DFE) guidelines and does not constitute exclusion, rather an authorised absence. Students who do not present for school, meeting our expectations may be isolated until full uniform expectations are met. There are forms of dress which are unacceptable in the academy, including in physical education classes, on the grounds of, or for reasons related to, the maintenance of good order and discipline and/or Health and Safety, and are therefore not allowed.

These are items of clothing which:

- could cause offence (such as anti-religious symbolism or slogans which might be regarded as political or carrying a message at odds with the values of the academy)
- could cause health and safety concerns, such as loose fitting clothing, extended nails (nail art), painted nails, shell suits and jackets of flammable material
- could cause damage to flooring
- carry advertising particularly for alcohol or tobacco or other drug use
- could inflict injury on other students or be used by others to do so

Valuable items and unnecessarily expensive articles of clothing or jewellery should not be brought to the academy. The Headteacher and LAB (local Authority Board) of Washington Academy have considered the cost of providing academy uniform to meet the new DFE requirements set out in September 2022 where schools were required to remove unnecessary branded items from their uniform requirements and allowing parents to shop around and purchase uniform items from high street stores.

The items of the academy uniform can be purchased directly from our academy supplier. (Little Gems, 11 Brockwell Road, Crowther Industrial Estate, Washington, NE38 0AF)

3. When students borrow kit this will be recorded on class charts as 'uniform-borrowed PE kit'
4. Should students be awarded 3 'uniform-borrowed PE kit' on Class charts, this will automatically issue a detention
5. If students refuse to borrow kit this will be recorded on Class charts as 'uniform – refused PE kit'
