*Enriching Lives, Inspiring Ambitions*

Thursday, 19 October 2023

Dear Parent/Carer,

I would like to introduce myself, I'm Kelly Oakland and my main role alongside teaching enterprise is to oversee the whole school personal development programme, this includes our careers provision.

First of all, I would like to thank all who completed the careers provision parental voice survey, this really helps us to improve and fine tune our offer. Some of you stated that you would like some further information about the provision.

Please find included in this pack:

- Careers learning journey to see what your child is entitled to in the academy
- Our half-term 1 careers newsletter
- Labour Market information about jobs in the North-East
- A guide to post-16 options

Yours sincerely,

Mrs K Oakland  
Director of Personal Development
