

# Washington Academy

*Enriching Lives, Inspiring Ambitions*

Dear parent/carers,

I am writing to you about our final week of the Autumn term. We expect students to attend school every day as usual, and we have some fun activities planned for them to get involved in, ranging from as little as sweet treats to as huge as access to the inflatables that we have booked and ready for our students to enjoy.

We have listened to our students wishes through student voice and as a result our Friday 20<sup>th</sup> December lunchtime offer is our students' favourite; the "Kebab".

The arrangements for the last day will be that students will return slightly earlier from lunchtime to their form tutors and then students will be dismissed from there at 1.00pm. Should your child need to stay in school until the usual time of 3.00pm please complete the form below:

<https://forms.office.com/e/svtjAC4S3C>

I will be sending another letter next week to end this successful term we have had and provide some information of the term ahead!

Yours sincerely,

Mrs Carter

Headteacher: Mrs V Carter
